## Internet Access You Can Depend On

At any given moment, up to 200 network outages occur worldwide, disrupting critical operations and leaving businesses struggling with downtime. This common challenge of internet services is not one your enterprise must accept. With Massive Networks' Premium Blended Internet, your internet services are powered by a combination of up to **five Tier 1 Internet Service Providers** (ISPs). This ensures

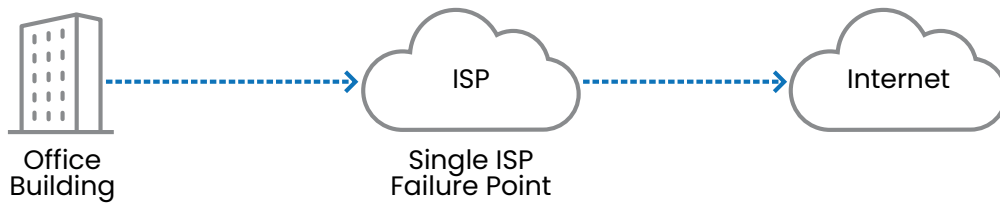

continuous support for your critical workloads even if one provider fails. When it comes to internet access, redundancy is the name of the game, and Massive Networks' Premium Blended Internet delivers.
